

Summer Staycation

Miami heats up in the summer, but insiders know the best way to cool down is at Faena Hotel Miami Beach.

Offering an exclusive discount on our best available rate, you can wake up to a complimentary American breakfast every morning on our alfresco poolside Veranda before heading down to our **Beach Club**—100,000 square feet of private powder-sand paradise.

Catch up on your summer reading under a candy-striped umbrella to a lullaby of soft crashing waves. While you take a refreshing dip in the turquoise sea, your beach butler will flawlessly shine your sunglasses and place a chilled water and sunscreen by your chaise lounge. When returning to relax, he'll gently wash the sand from your feet with fresh water before you lie back down.

From the beach, head to your private poolside cabana outfitted with its own minibar and TV for ultimate relaxation. Enjoy a bottle of sparkling wine on ice and delicious snacks curated by our talented team of chefs while our dedicated Pool butlers provide top-notch service, all of which will help you understand why **Condé Nast Traveler** named Faena one of the ten most "over-the-top" hotel pool experiences in the world.

When your skin is sufficiently sun-kissed, head to **Tierra Santa Healing House** and enjoy complimentary access to the Wet Spa and 15% off all treatments. The healing hammam expedition begins with a waterfall shower to cool you down before relaxing on a heated gobek tasi made of Amazonite stone. Step into the herbal steam room where scents of peppermint and eucalyptus cleanse your lungs. Then move onto the wet scrub and sauna, before culminating your wellness journey in the refreshing ice room.

Choose from a range of restorative rituals and therapies on our spa menu. Learned from ancient cultures to relieve deep-seated tension, the **Tree of Life Vibrations** treatment uses a combination of oils and Brazilian rose stones which are massaged into the spine, while the equally rejuvenating **Tierra Santa Masaje de Coco** treatment is a profoundly nourishing experience that takes advantage of the curative properties of warm virgin coconut oil.

End the day with one of Faena's incredible gastronomic adventures. Feel transported to Argentina with a mouthwatering *asado* (barbecue) complete with empanadas, grilled entrees, and organic vegetables prepared over an open fire at **Los Fuegos** restaurant from celebrated South American chef **Francis Mallmann**. Or tantalize your taste buds with crudo specialties at James Beard Foundation award-winning chef **Paul Qui's Pao** restaurant with dishes like Toro—seared fatty tuna belly with tomato, kaffir lime, pickled ginger, and tare.

Post-dinner, enjoy a handcrafted cocktail overlooking the ocean in the cool night breeze to understand why nobody in Miami complains of the weather.

FATHER'S DAY EXPERIENCE

Celebrate the men in your life with a full Father's Day Experience.

Start by spoiling him with a **Sacred Warrior** treatment at **Tierra Santa Healing House**. This deep muscle-melting massage will relieve all tension and tightness, while warm herbal indigo poultices and rare lapis lazuli from Chile target key pressure points.

This is one barbecue where dad isn't expected to do the grilling. He'll finally get to sit back and relax as our skilled *asador* (chef) prepares a multi-course meal of wood-oven empanadas, slow-cooked rib eye, wild salmon, suckling pig, and skewers of organic vegetables followed by a melt-in-your-mouth flan.

If a decadent dinner is more his style, join us for an Asian-inspired epicurean evening at star chef **Paul Qui's** restaurant **Pao**. Here, he can sip on custom handcrafted cocktails while enjoying delights from a prix-fixe summer menu featuring signature items like Octopus Aguachile and East Side King Fried Chicken with new delectable dishes including fresh Florida snapper and tender aged beef.

To top off the perfect Father's Day outing, Faena is gifting all fathers with a complimentary hand-rolled cigar he can enjoy at our poolside Veranda or on Pao's open-air terrace.
